BRIEF STATEMENT OF “COVID-19” FACTS, INCLUDING TRESPASSES AND LIABILITY:

1. An alleged “virus” must be purified (aka “isolated”) before it can be sequenced, characterized, and investigated via controlled experiments.
2. Sequencing and characterization are necessary for identification of a specific “virus”.
3. Repeated controlled experiments are necessary for determination of disease causation by a “virus”.
4. Purification of an alleged “virus” from many patient samples, and then characterization, sequencing and repeated controlled experiments are necessary before one can logically and scientifically conclude that “it” is circulating in humans and is the cause of an allegedly new disease.
5. It is impossible to validate any “test” without a gold standard.
6. It is impossible to validate any “test” claimed to “confirm” the presence of a “virus” (or a “viral infection”) before the alleged “virus” has been proven to exist.
7. It is impossible to validate any “test” claimed to “confirm” a “viral disease” before the alleged “virus” has been a) proven to exist and b) proven to cause the disease.
8. Published studies wherein authors claimed to have “isolated” and “sequenced” the alleged “COVID-19 virus” (aka “SARS-COV-2”) (or any other alleged virus, including “SARS-COV-1”) do not describe isolation/purification of an alleged virus from patient samples (or from anything else).
9. Published studies wherein authors claimed to have “isolated” and “sequenced” the alleged “SARS-COV-2” (or any other alleged virus, including “SARS-COV-1”) do not describe extraction of genetic material from a purified sample of “virus” or discovery/determination of a “viral genome”.
10. Freedom of Information (FOI) responses from 41 Canadian institutions (including the Public Health Agency of Canada, Health Canada and all 5 Canadian institutions that claimed to have “isolated the virus”) and Freedom of Information responses and court documents from 100 additional institutions in >25 additional countries show that governments and health/science institutions worldwide have uniformly failed to provide or cite even 1 record describing purification of the alleged “SARS-COV-2” (or any alleged “variant”) from a sample taken from a sick patient, by anyone, anywhere on Earth.

11. FOI responses from the U.S. Centers for Disease Control and Prevention and elsewhere yielded no record describing purification of the alleged 2003 “SARS virus” (or any “common cold coronavirus”) from a sample taken from a sick patient, by anyone, anywhere on Earth.
12. Governments and health/science institutions worldwide have demonstrated that they are unable to provide or cite any study or report, published by anyone, anywhere on Earth, describing the alleged “SARS-COV-2” isolated/purified directly from the fluids of a sick patient and then characterized and sequenced and proven to cause disease in humans or animals.
13. Governments and health/science institutions worldwide have demonstrated that they are unable to prove the existence of the alleged “SARS-COV-2” (or any alleged “variant”).
14. Governments and health/science institutions worldwide have demonstrated that they are unable to prove that the alleged “SARS-COV-2” (or any alleged “variant”) is the cause of any disease, new or old.
15. All of the above-mentioned FOI responses and court documents are publicly available at the following URL:
<https://www.fluoridefreepeel.ca/fois-reveal-that-health-science-institutions-around-the-world-have-no-record-of-sars-cov-2-isolation-purification/>
and in compilation pdfs in storage drives at the following URLs:
<https://tinyurl.com/IsolationFOIs>;
<http://bit.ly/awcevidence>.
16. All “COVID-19” tests, diagnoses, statistics, projections, models and injections of every kind are invalid and ultimately based on delusion, misconception, misinterpretation, ignorance, incompetence, incomplete information and/or intentional fraud.
17. All “COVID-19”-related interferences in the lives and bodies of men, women and children (including the unborn) have been unlawful trespasses; this includes (but is not limited to) all orders, bullying, threats, fines, tickets, arrests, incarcerations, seizures, closures, public restrictions of every kind (including in hospitals, schools, court houses, police stations, shops, parks, recreation centres, etc.), denials of service and denials of paid employment, imposed and/or enforced by politicians, medical officers, employers and leadership and members of Ontario police service corporations, etc.
18. Any man or woman who unlawfully trespasses against a man, woman or child is liable for any wrong or harm they cause.

Christopher James of the Pritchard family, Christine Anne of the Massey family, Gabriel Gilles of the Proulx family [OPP], and Timothy Miles of the Calhoun family [Retired Deputy Chief/ Fire Service 31 years] have affixed their seals below and state the above “COVID-19 facts” are true, under penalty of death.

A sample of further verifiable iron clad evidence regarding COVID-19 fraud, injection injuries, and trespasses on the public is available in a storage drive at the following URL:

THE COVID-19 FRAUD & WAR ON HUMANITY [verified evidence to this claim filed]
by Dr. Mark Bailey and Dr John Bevan-Smith
<https://drsambailey.com/2021/11/11/the-covid-19-fraud-war-on-humanity/>

CEASE AND DESIST:

We require all people who act as our public servants, cease and desist all “COVID-19” interference, and all other unlawful interference of every kind, including but not limited to your denial of service to COVID-19-injection-free men, women and children, and masking requirements/denial of paid employment of police officers.

MURDER IS OCCURING, ON YOUR WATCH:

Ethical provision of a medical intervention requires full disclosure and truly voluntary consent. The Nuremburg Code is recognized worldwide, because medical experimentation without lawful consent was meant to **NEVER** occur again against mankind. All people in law enforcement are to enforce such.

Note also that in the legal realm, within which Canadian Police typically operate, section 245 of the Criminal Code of Canada states: ***‘Everyone who administers or causes to be administered to any [person](#) or causes any [person](#) to take poison or any other destructive or noxious thing is guilty’...***

And yet, without exaggeration, the evidence as filed factually proves without a doubt that:

- “COVID-19” is a worldwide lie,
- the alleged virus & variants have never been shown to exist or the cause of any disease,
- there was no reason to initiate “COVID-19” testing, injections or any “measures” of any kind,
- there is no basis even for the terms “2019-nCoV”, “SARS-COV-2” or “COVID-19”,
- men, women, children and the unborn worldwide have been terrorized and subjected to horrific and unlawful poisoning, medical experimentation, and medical malpractice.

Trespass: Terrorism, malfeasance and crimes against humanity is occurring right in our communities.

Administration of useless, toxic and invasive medical interventions that are “consented to” without full disclosure and as a result of baseless fear-mongering, threats, bullying, coercion, manipulation and misinformation from men and women posing as “public health experts” and “public servants” is vile, will not be tolerated and will not pass without consequences to the guilty and complicit parties.

Murder is murder, whether death is instant or slow

A STATEMENT OF GENERAL FACTS:

1. Any man or woman who unlawfully trespasses against a man, woman or child is liable for any wrong or harm they cause

2. Unless you can establish with written verifiable evidence to one or more of the following, then none of you have jurisdiction over i (we the people) and, the same applies to any other man/woman/people under your control or any other service corporation that attempts to control people:

- Who claim i (we the people) property acting through a service corporation
- Produce contract i relinquished un-a-lien-able rights to any man or woman
- Produce contract i relinquished un-a-lien-able rights to any service corporation
 - Produce verifiable evidence Canada does not recognize Supremacy of God [law] on this land

ADDRESS OBSTRUCTION OF JUSTICE OCCURRING AT THE PEOPLES PUBLIC COURTHOUSES:

Further, the man, Christopher James of the Pritchard family, whose seal is affixed on this and all 3 previous filings noted above, offers immediate support to you and your organizations to address these horrific facts that require your immediate action.

This man and others are being denied a right to access our public courthouses in Milton and Barrie by public servants and BAR members. This requires immediate attention and action to stop trespass by servants which has been proven, verified on public record 'the rules of civil procedure' do NOT apply to we the people.

We have multiple communications to the top people acting as 'Chief Justices' who ALL failed to produce required evidence said rules apply to we the people in order to access a public courthouse and move claim and court.

These people acting at said courthouses are committing massive obstruction and condoning the very terrorism that is verified, requiring court and claims moving forward outside of a private society [BAR] that has NO jurisdiction over any man or woman to deny them a right to seek the administration of justice at our PUBLIC courthouses. They **ARE** blocking access without right.

Address this immediately.

Christopher James has evidence, actions and communications proving said claim be true.

GOING FORWARD:

The fraud and manipulation has been committed against all of us and our loved ones, and all people on this communication continue to trespass against we the people, due to lack of knowledge.

There is no excuse now. The time has come to be a light in this world. Your oaths to protect and serve must guide all of you like lightning as we together will stop this attack by domestic and foreign entities designed to destroy our country and ultimately the world. This is our moment... protect the people!!!

Choosing to seek truth and stand on it requires courage. We require that you find that courage, investigate this matter post haste and provide evidence counter to our claims, otherwise fulfill your duty to the public to ACT and bring an end to the COVID-19 fraud, murder and terrorism that is occurring in our communities. If you are unwilling to fulfill your duty to your fellow man, step down.

Once one of you within your service corporations are ready to take a stand...hundreds of thousands of honorable men and women are waiting and ready to take action to stand shoulder to shoulder with you to fight this evil.

Now is our time to "ride out" and face this evil together. God Speed to us all.
Grace abounds,

Christopher James of the Pritchard family
