Dear Scott and Freedom of Information Clerk:

I require access to a record as per the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA).

Application Fee

Please advise whether there is an application fee for this. If there is, I will mail or deliver the application fee.

Description of Requested Records:

A copy of the so-called "undertaking" cited by Sandra Dueck, a woman working for Peterborough Police (corporation), here:

*"The accused was released **on an undertaking** with conditions and is scheduled to appear in court on February 16, 2022."*

<https://www.peterboroughpolice.com/en/news/further-to-media-release-2-for-thursday-january-20-2022.aspx>

I am the woman who was unlawfully arrested, cuffed, etc. and I signed **nothing**.

I agreed to **no undertaking, nor did I agree to any "conditions", verbally or in writing**.

I made it **100% clear** over and over and over and over and over and over throughout this entire episode of harassment that I **consented to nothing, agreed to nothing, would sign nothing, and understood nothing**.

When asked if I **would** go to court, etc. I said, "I'll do what I do". The man who had cuffed me said that was good enough for him and "released" me from his unlawful capture.

I have already held up the copy of the so-called "undertaking" that I took for my records and showed to the world on video that I did not sign it.

A piece of paper labeled "undertaking" is not an undertaking when it was never signed or even verbally agreed to.

Therefore Scott, you need to see to it that the **false and slanderous statement** on your website, that has now been regurgitated by media outlets, is corrected and the false claim clearly **retracted**.
