December 20, 2021 news report:

UK Government Officials Face Police Investigation Over COVID Vaccines

"Dr. Sam White and members of his legal team visited Charing Cross and Hammersmith Police Stations in London on Monday, December 20, in their latest efforts to expose what they claim are serious safety issues regarding the COVID vaccines. They are also accusing UK government agencies of knowingly withholding information from the British public. PJH Law presented a criminal complaint containing "significant and irrefutable evidence," which was accepted by the Metropolitan Police. As a result, a crime reference number has been issued for "Misconduct in Public Office," and a designated officer and police department has been allocated to deal with it."

BRIEF STATEMENT OF "COVID-19" FACTS, INCLUDING TRESPASSES AND LIABILITY:

1. An alleged "virus" must be purified (aka "isolated") before it can be sequenced, characterized, and investigated via controlled experiments.
2. Sequencing and characterization are necessary for identification of a specific "virus".
3. Repeated controlled experiments are necessary for determination of disease causation by a "virus".

4. Purification of an alleged “virus” from many patient samples, and then characterization, sequencing and repeated controlled experiments are necessary before one can logically and scientifically conclude that “it” is circulating in humans and is the cause of an allegedly new disease.
5. It is impossible to validate any “test” without a gold standard.
6. It is impossible to validate any “test” claimed to “confirm” the presence of a “virus” (or a “viral infection”) before the alleged “virus” has been proven to exist.
7. It is impossible to validate any “test” claimed to “confirm” a “viral disease” before the alleged “virus” has been a) proven to exist and b) proven to cause the disease.
8. Published studies wherein authors claimed to have “isolated” the alleged “COVID-19 virus” (aka “SARS-COV-2”) (or any other alleged virus, including “SARS-COV-1”) do not describe isolation/purification of an alleged virus from patient samples (or from anything else).
9. Published studies wherein authors claimed to have “sequenced” the alleged “SARS-COV-2” (or any other alleged virus, including “SARS-COV-1”) do not describe extraction of genetic material from a purified sample of “virus” or discovery/determination of a “viral genome”.
10. Freedom of Information (FOI) responses from 41 Canadian institutions (including the Public Health Agency of Canada, Health Canada and all 5 Canadian institutions that claimed to have “isolated the virus”) and Freedom of Information responses and court documents from 109 additional institutions in >25 additional countries show that governments and health/science institutions worldwide have uniformly failed to provide or cite even 1 record describing purification of the alleged “SARS-COV-2” (or any alleged “variant”) from a sample taken from a sick patient, by anyone, anywhere on Earth.
11. FOI responses from the U.S. Centers for Disease Control and Prevention and elsewhere yielded no record describing purification of the alleged 2003 “SARS virus” (or any “common cold coronavirus”) from a sample taken from a sick patient, by anyone, anywhere on Earth.
12. Governments and health/science institutions worldwide have demonstrated that they are unable to provide or cite any study or report, published by anyone, anywhere on Earth, describing the alleged “SARS-COV-2” isolated/purified directly from the fluids of a sick patient and then characterized and sequenced and proven to cause disease in humans or animals.
13. Governments and health/science institutions worldwide have demonstrated that they are unable to prove the existence of the alleged “SARS-COV-2” (or any alleged

“variant”).

14. Governments and health/science institutions worldwide have demonstrated that they are unable to prove that the alleged “SARS-COV-2” (or any alleged “variant”) is the cause of any disease, new or old.

15. All of the above-mentioned FOI responses and court documents are publicly available at the following URL:

<https://www.fluoridefreepeel.ca/fois-reveal-that-health-science-institutions-around-the-world-have-no-record-of-sars-cov-2-isolation-purification/>

and in compilation pdfs in storage drives at the following URLs:

16. All “COVID-19” tests, diagnoses, statistics, projections, models and injections of every kind are invalid and ultimately based on delusion, misconception, misinterpretation, ignorance, incompetence, incomplete information and/or intentional fraud.

17. All “COVID-19”-related interferences in the lives and bodies of men, women and children (including the unborn) have been unlawful trespasses; this includes (but is not limited to) all orders, bullying, threats, fines, tickets, arrests, incarcerations, seizures, closures, public restrictions of every kind (including in hospitals, schools, court houses, police stations, shops, parks, recreation centres, etc.), denials of service and denials of paid employment, imposed and/or enforced by politicians, medical officers, employers and leadership and members of Ontario police service corporations, etc.

18. Any man or woman who unlawfully trespasses against a man, woman or child is liable for any wrong or harm they cause.

Christopher James of the Pritchard family, Timothy Miles of the Calhoun family [Retired Deputy Chief/ Fire Service 31 years] and i, Christine Anne of the Massey family affix our seals and state the above “COVID-19 facts” are true, under penalty of death.

MURDER IS OCCURING, UNDER YOUR WATCH:

Ethical provision of a medical intervention requires full disclosure and truly voluntary consent. The Nuremberg Code is recognized worldwide, because medical experimentation without lawful consent was meant to **NEVER** occur again against mankind. All people in law enforcement are to enforce such.

Note also that in the legal realm, within which Canadian Police typically operate, section 245 of the Criminal Code of Canada states: *'Everyone who administers or causes to be administered to any person or causes any person to take poison or any other destructive or noxious thing is guilty'...*

And yet, without exaggeration, the evidence as filed factually proves without a doubt that:

- “COVID-19” is a worldwide lie,
- the alleged virus and variants have never been shown to exist or to be the cause of any disease,
- there was no reason to initiate any “COVID-19” testing, injections or any “measures” of any kind,
- there is no basis even for the terms “2019-nCoV”, “SARS-COV-2” or “COVID-19”,
- men, women, children and the unborn worldwide have been terrorized and subjected to horrific and unlawful poisoning, medical experimentation, and medical malpractice.

Trespass: Terrorism, malfeasance and crimes against humanity are occurring right here in Peterborough, Ontario.

Administration of useless, toxic and invasive medical interventions that are “consented to” without full disclosure and as a result of baseless fear-mongering, threats, bullying, coercion, manipulation and misinformation from men and women posing as “public health experts” and “public servants” is vile, will not be tolerated and will not pass without consequences to the guilty and complicit parties.

Murder is murder, whether death is instant or slow.

A STATEMENT OF GENERAL FACTS:

1. Any man or woman who unlawfully trespasses against a man, woman or child is liable for any wrong or harm they cause

2. Unless you can establish with written verifiable evidence to one or more of the following, then none of you have jurisdiction over i (we the people) and, the same applies to any other man/woman/people under your control or any other service corporation that attempts to control people:

- Who claim i (we the people) property of any man or woman acting through a service corporation
- Produce contract i (we the people) relinquished un-a-lien-able rights to any man or woman
- Produce contract i (we the people) relinquished un-a-lien-able rights to the service corporations all of you represent
- Produce the verifiable evidence Canada does not recognize the supremacy of God [law] on this land

CEASE AND DESIST:

We **require** all people who act as (or allege to be) **public servants** to immediately **Cease and Desist** administration of so-called “COVID-19 vaccines”, administration of so-called “COVID-19 tests”, dissemination of “COVID-19” claims/updates/Public Health Orders, and all manner of “**COVID-19**” **interference and communications**, and to rescind all existing “COVID-19 Public Health Orders”.
