Good day Scott and Ryan, public servants,

### **3<sup>rd</sup> Notice: Trespasses**

I am a flesh and blood woman living on the land known as Peterborough, Ontario, Canada, and I communicate in common English only (not legalese). My full name is Christine Anne Massey (not MASSEY Christine). I am Christine Anne of the Massey family, and generally called Christine Massey.

Trespasses have been committed against me, due to ignorance/incompetence or malfeasance on your parts.

On January 19<sup>th</sup>, 2022, at roughly midnight, three men under Scott’s supervision entered the property where I live and caused wrong and harm.

On January 20<sup>th</sup>, 2022, at roughly 1:30 PM, Ryan and 2 other people acting on an apparent order from Roger J Le Blanc and under Scott’s supervision, also entered the property where I live, and caused wrong and harm.

I require from you the verified claim, filed by a man or woman, that I did wrong - that I trespassed against them causing wrong, injury or harm.

If you cannot produce such a claim, or contract, then provide to me, posthaste, evidence addressing the following:

1. Who involved in these trespasses claims that I am their property?
2. Produce contract(s) wherein I relinquished my unalienable rights privately to any man or woman involved in these trespasses.
3. Produce contract(s) wherein I relinquished my unalienable rights to any service corporation involved in these trespasses.

**If you do not produce any of the above by the end of tomorrow, Friday February 3<sup>rd</sup>, 2022, then your tacit agreement will be in place that you are in breach of your oaths and fiduciary bonds.**

If any trespass, by either of you, or by any man or woman employed by, or acting for, Peterborough Police Service occurs against me in the future, my fee will be **\$1,000,000** (in Canadian dollars) on the private side, retroactive to prior trespasses.

Once again, I endeavor to forgive.

**Scott, also report to me, posthaste:**

**What action have you taken on the [“COVID-19” Crime Report](#) addressed to you, received by Scott Rogers, a man who serves as Staff Sergeant (badge #162), and assigned file # PB 21034159, on December 18, 2021? What action have you taken on the [follow-up email](#) that I sent you on January 17, 2022?**

**What action have you taken regarding the verified claim of extremely serious “COVID-19” criminality made to the Metropolitan Police, London, England on the 20<sup>th</sup> of December 2021, assigned [crime reference number 6029679/21](#)?**

**Scott and Ryan: Ensure that all communications to me are in everyday English, unless I explicitly request otherwise.**
