10. september 2020

Anmodning om aktindsigt

Kære Alex Holmstedt

Du har den 10. august 2020 via e-mail anmodet om aktindsigt på følgende måde:

” I forlængelse af Statens Serum Instituts aktindsigtsbesvarelse af 8. juli 2020 hvor styrelsen har meddelt den ”ikke er ibesiddelse ” af:

”Litteraturlister, ... hvori der forekommer artikler hvor man har separeret og oprenset SARS-CoV-2.

Som "oprenset" forstås efter principper som beskrevet her:

<https://www.news-medical.net/life-sciences/Virus-Purification-Methods.aspx> ”

Søges i henhold til lov om offentlighed i forvaltningen fuld aktindsigt i flg.:

Dokumentation der har overbevist Statens Serum Institut om den reelle eksistens af SARS-CoV-2, den påståede årsag til COVID-19 – da det må antages at der må foreligge uomtvisteligt bevis til grund for de tiltag der er blevet påført det danske samfund.”

Statens Serum Institut kvitterede den 11. august 2020 for modtagelse af din anmodning og anførte i den forbindelse, at vi under hensyn til de særlige omstændigheder, der gjorde sig gældende for Statens Serum Instituts vedkommende, ikke kunne oplyse, hvornår der ville blive truffet endelig afgørelse i din sag.

Den 25. august 2020 oplyste Statens Serum Institut, at vi forventede at kunne besvare din henvendelse inden for 14 arbejdsdage.

Vi beklager meget, at vi under hensyn til de særlige omstændigheder, der gør sig gældende for Statens Serum Institut, ikke formåede at træffe endelig afgørelse i din sag før nu.

Statens Serum Institut har nu gennemgået sagen.

1. AFGØRELSE

Statens Serum Instituttet kan oplyse, at vi nu har fortaget en journalsøgning efter dokumentation der har overbevist Statens Serum Institut om den reelle eksistens af SARS-CoV-2, den påståede årsag til COVID-19 og desuden har vi på anden vis forsøgt, at lokalisere relevante dokumenter. Statens Serum Institut kan

konstatere, at vi ikke er i besiddelse af de ønskede dokumenter. Statens Serum Institut kan derfor ikke imødekomme din anmodning om aktindsigt, jf. offentlighedslovens § 7, stk. 1, modsætningsvist.

2. KLAGEVEJLEDNING

Klage over denne afgørelse om aktindsigt kan ske til Sundheds- og Ældreministeriet. Du skal dog indledningsvis sende din klage til Statens Serum Institut, Direktionssekretaria@ssi.dk. Hvis din klage ikke giver Statens Serum Institut anledning til at ændre afgørelsen, sender Statens Serum Institut klagen samt sagens dokumenter og herunder afgørelsen til Sundheds- og Ældreministeriet snarest og som udgangspunkt senest syv arbejdsdage efter modtagelsen af klagen ved Statens Serum Institut, jf. offentlighedslovens § 37, stk. 1 og 2.

Med venlig hilsen

Søren Østergaard

Sent by e-mail to Alex@Panteon.dk

Request for access to documents on 25 May 2020

25 June 2020

By e-mail of 25 May 2020, you have requested the Danish Health Authority for access to documents, as follows:

Case no. 04-0100-869
Reference
Secretariat/Amoh/JSNI
T +45 7222 7400
E Dir@sst.dk

"Bibliographies, held by the Danish Health Authority, in which can be found articles showing that Sars-Cov-2 has been isolated and purified."

The Danish Health Authority hereby states that we are not in possession of such documents. Your request for access can therefore not be met, cf. Act no. 572 of 19 December 1985 and subsequent amendments (1985 Public Access to Information Act) § 4, PCS. 1, cf. the Statutory Order No. 980 of 16 August 2017 regarding access to documents in environmental information (Environmental Information Act) § 2, PCS. 1.

Complaint guide

You can appeal this decision. Appeal against this decision can be done to the Danish Ministry of Health. However, you must first submit your complaint to the Danish Health Authority, Islands Brygge 67, 2300 Copenhagen S, sst@sst.dk.

If your complaint does not give the Danish Health Authority any grounds for changing the decision, the Danish Health Authority will - as soon as possible and by default no later than 3 weeks after receipt of the complaint at the Danish Health Authority - send the complaint and the case documents, including the decision, as well as a statement from the Danish Health Authority with comments on the case and the complaint points listed in the complaint, to the Danish Ministry of Health, cf. § 4 b, PCS. 1, in Executive Order no. 980 of 16 August 2017 on access to documents in environmental information (the Environmental Information Act).

You can also bring the decision to court.

You can find the above legislation on Retsinformation, www.retsinformation.dk.

Best regards

Ali Mohamad
Law student

On behalf of

Jens Nilausen
Clerk, LL. M.

Dear Alex Holmstedt

By e-mail on 25 May 2020, you have requested access to bibliographies, held by Statens Serum Institut,* encompassing articles in which Sars-Cov-2 has been isolated and purified. The word "Purified" is to be understood according to the principles described in the attached pdf: Virus Purification Methods.pdf.**

First and foremost, Statens Serum Institut would like to apologize for the long case processing time, which is due to the very large number of requests we have received.

1. DECISION

The institute hereby states that we have carried out a journal search for bibliographies as well as tried locating any relevant documents. Statens Serum Institut ascertains that we are not in the possession of the desired bibliographies. Therefore, Statens Serum Institut is not able to accommodate your request for access to any bibliographies, cf. section 7 - PCS. 1 of the Public Access to Information Act. However, we were able to find a general bibliography regarding COVID-19, see details below.

2. ADDITIONAL FREE ACCESS TO PUBLIC RECORDS

Statens Serum Institut has considered whether you, according to the principle of additional free access to public records, section 14 - PCS. 1 of the Public Access to Information Act, should gain access to documents at a greater extent. Consequently, Statens Serum Institut has decided to hand out a more general bibliography regarding COVID-19. The document in question is attached to this letter.

3. COMPLAINT GUIDE

An appeal against this decision on access to bibliographies can be made to the Danish Ministry of Health. Initially, however, please send your complaint to Statens Serum Institut, Direktionssekretaria@ssi.dk. If your complaint does not give Statens Serum Institut any grounds for changing the decision, Statens Serum Institut will send the complaint as well as the case documents, including the decision, to the Danish Ministry of Health as soon as possible and by default no later than seven work days after receipt of the complaint at Statens Serum Institut, cf. section 37 - PCS. 1 & 2 - of the Public Access to Information Act.

J. no.: 20/08162
10 September 2020

Request for access to documents

Dear Alex Holmstedt

By email on 10 August 2020, you requested to documents as follows:

“In continuation of the reply of Statens Serum Institut of 8 July 2020 as to the request for access to bibliographies, to which the Administration has Informed that it "is not in possession" of:

Bibliography, ... showing articles on SARS-CoV-2 having been isolated and purified.

*"Purified" is to be understood according to the principles described here:
<https://www.news-medical.net/life-sciences/Virus-Purification-Methods.aspx>”*

In accordance with the Public Access to Information Act, full access to documents is sought as to the following:

Documentation that has convinced Statens Serum Institut about the real existence of SARS-CoV-2, the alleged cause of COVID-19 - since it must be assumed that indisputably evidence for the real existence of SARS-CoV-2 must lie behind the actions that have been imposed on the Danish society.”

On 11 August 2020, Statens Serum Institut* acknowledged receipt of your request, stating that due to the special circumstances applied to Statens Serum Institut, we were unable to inform you as to when a final answer to your request would be made.

On 25 August 2020, Statens Serum Institut stated that we expected to be able to respond to your inquiry within 14 work days.

We regret to inform you that due to the special circumstances that apply to Statens Serum Institut, we were unable to answer your request until now.

Statens Serum Institut has now reviewed the case.

1. DECISION

Statens Serum Institut hereby states that we have now carried out a journal search for documentation that has convinced Statens Serum Institut about the real existence of SARS-CoV-2, the alleged cause of COVID 19, and in addition, we have tried in other ways to locate relevant documents. Statens Serum Institut ascertain that we are not in the possession of the requested documents.

* *The Danish Central Health Laboratory*

Consequently, Statens Serum Institut is not able to meet your request for access to documents, cf. section 7 - PCS. 1 of the Public Access to Information Act.

2. COMPLAINT GUIDE

An appeal against this decision on access to bibliographies can be made to the Danish Ministry of Health. Initially, however, please send your complaint to Statens Serum Institut, Direktionssekretaria@ssi.dk. If your complaint does not give Statens Serum Institut any grounds for changing the decision, Statens Serum Institut will send the complaint as well as the case documents, including the decision, to the Danish Ministry of Health as soon as possible and by default no later than seven working days after receipt of the complaint at Statens Serum Institut, cf. section 37 - PCS. 1 & 2 - of the Public Access to Information Act.
