Ontario Court of Justice

70 Simcoe Street, Peterborough, Ontario, Canada

Date: June 16, 2022

Subject: Notice Trespass [Jurisdiction Challenged] and Fee Schedule

June 20, 2022 "appearance" via "zoom", 2 PM, virtual "courtroom 3"

["Case No. 3311 998 22 33100161"]

Greetings man or woman acting as "Clerk" and man or woman acting as "Justice of the Peace" or "Judge",

i am a living woman, on the land; not MASSEY, Christine, or any legal "person" [fiction]. i the living woman will make a 5th coerced and special "appearance" on June 20, 2022, under duress.

i am not the property of or a "subject of" or under any lawful contract with REGINA aka "the crown", or with anyone acting as an agent of REGINA, or with "the court", and i do not consent to contract, "attornment" or joinder.

i communicate in everyday English and i am not fluent in legalese, thus ensure that all communications with me are in everyday English.

Christopher James might assist as my counselor at law on jurisdiction of this court. i require that he be allowed to join the meeting so that i may consult with him according to my lawful right as a woman. He does not represent me in this matter, nor is this man a member of a private society [BAR] acting as a lawyer on legal matters.

Regarding the alleged "harassment" and "intimidation" of Thomas Piggott, be advised: i have not been provided recordings or transcripts of Thomas Piggott's phone calls to "911" or to anyone acting for Peterborough Police Service (PPS) (including his phone call with Scott Gilbert who acted as "Chief" and interfered in the matter according to police notes), or notes from certain other "crown" agents who also act for PPS. A 2.5 page list of outstanding disclosure issues is enclosed.

Further there is no reasonable prospect of a conviction because no evidence corroborates any of Thomas Piggott's claims that I hit him or spoke to him in a "very threatening voice", or that

his home was invaded, or even that i had sent dozens of legal Notices to him and his workplace, while [video evidence](#) proves that my behaviour at his home was completely lawful, peaceful, unthreatening, unintimidating, friendly, kind and considerate and that Thomas Piggott made numerous false statements to REGINA's agents who act through Peterborough Police Service and thus was unreasonable that evening.

Note that on February 16, 2022, March 24, 2022, April 12, 2022 and May 3, 2022, people who are agents of REGINA (my so-called opposing party) acted as "Justice of the Peace" and "Judge" and moved forward scheduling further "appearances". They acted:

- 1)** without REGINA, also known as "the crown", "the queen", "the state" ever "appearing" to face me, despite my right as a woman to face the man or woman who makes a claim against me;
- 2)** without any coherent verified claim of trespass having been made against me by REGINA;
- 3)** based on "charges" that do **not** allege that i have any lawful obligation to concern myself in any way with "the Criminal Code" (or that "the Criminal Code" has anything to do with REGINA) but allege that i somehow violated said code;
- 4)** based on "charges" that do not allege that i have trespassed in any way whatsoever against REGINA;
- 5)** based on "charges" listed on a so-called "information" that allege harassment and intimidation of "DR. THOMAS PIGGOTT" and making no reference whatsoever to REGINA;
- 6)** based on incoherent, unintelligible paperwork listing inconsistent "charges": the "charge screening form" lists "s. 423.1(b)-intimidation" while all other paperwork cites "264(2)(c)" and "423.2(1)(b)";
- 7)** based on papers referencing a MASSEY, CHRISTINE ("charge screening form", "information") and a MASSEY Christine ("warrant"), and a MASSEY, C. ("crown brief cover") while i am a woman known as Christine Massey;
- 8)** based on paperwork ("warrant" and "endorsement of warrant") from an unheard-of court: "Ontario Court of **the** Justice" (not "Ontario Court of Justice");
- 9)** based on a "crown brief synopsis" that makes no mention of REGINA, is inherently contradictory and was written by a man, Lee Schubert, with no direct knowledge of my activities on or about January 19, 2022;
- 10)** based on a so-called "Information" with no signature and listing a woman, Shawna McCurdy, who has no direct knowledge of my activities on or about January 19, 2022, and that gives no indication of an "Intimidation" charge having been sworn;
- 11)** without proving lawful jurisdiction of "the court" for *any* purpose; and
- 12)** without my consent and against my expressed wishes (trespass).

On March 30, 2022 (see enclosed email) Paul T. Murray refused to discuss this "case" any further with me outside of court (and has never "appeared" in the court to face me despite his involvement in moving this "case" against me). Paul also refused to disclose to me the name of

the man or woman referred to as “the crown” aka “the queen” aka “the state”. And he has provided me no written evidence that he is acting for REGINA or that REGINA knows anything whatsoever about this “case”.

i have not been provided contact information that would enable me to communicate directly with REGINA therefore i have attempted to settle this matter honourably outside of “the court” via communications with the man Paul T. Murray who acts as “crown attorney”, with no “peace bond”, no guilty plea, no further fraud before this court and no further waste of the court’s time and resources. Paul refused my attempt to settle the matter.

i require you to act honourably and “strike” all “charges” and the entire “case” against me.

If you move this incoherent and vexatious “case” against me forward, or rectify the above issues but schedule a trial by judge or by “jury trial” (rather than by **jury of my peers in a court of public record moving under the common law** to ensure the correct jurisdiction as per my right as a woman) without my consent, or you enforce “Criminal Rules...”, “Evidence Act”, legal procedures, or you administer my trust without my consent, or you commit any acts/omissions/presumptions contrary to my good, or you require me to perform labour without compensation according to my specified fee schedule in order to receive full “disclosure” or anything else to which i have a God-given right, you will have trespassed against me unless you can answer “yes” with written verified evidence:

- am i your property (or property of any man, woman or service corporation that you represent) to administrate without my consent?
- did i relinquish my God-given rights to you or to any man, woman or service corporation that you represent?

My fee schedule for any further “appearances” or for anything scheduled/ordered/coerced by “the court” or an agent of “the court” without written verified proof of lawful right or my express consent is:

\$5,000 CAD per hour billed on the private side, due the day of in cash.

i wish the truth be known and to live in peace.

Respectfully and with all of my God-given rights reserved,

by: woman called Christine, of the Massey family,
also called Christine Massey

Enclosed: "charge screening form", "crown brief cover", "information", "crown brief synopsis", "warrant for arrest", "endorsement of warrant", list of outstanding "disclosure" issues; emails from Paul T. Murray
