

Notice of Trespass and Fee Schedule

To:

The man or woman who will be acting as “Clerk” and the man **Stuart W. Konyer** and any other man/men/woman/women who will be acting as “Justice of the Peace” or “Judge” at 2 PM in “courtroom 3” on June 30, 2022

Ontario Court of Justice, 70 Simcoe Street, Peterborough, Ontario, Canada

Date: June 29, 2022

i am a living woman created by God, on the land; not MASSEY, Christine or any legal person/entity. i the living woman am being coerced to make a 7th “appearance” in this “case” on June 30, 2022. Thus my “appearance” will be **under duress**, (under threat of arrest, “charges”, etc. if i “fail to appear” or to comply with other dictates from REGINA’s agents – see enclosed emails). This has also been the case with all of my previous “appearances”.

i am not the property of, or a “subject of”, REGINA aka “the crown”, or “the court”, or any man, woman or corporation (including CANADA - which has a business address in Washington DC and is [listed](#) on the website of the U.S. SECURITIES AND EXCHANGE COMMISSION – see enclosed) involved in this “case” either directly or indirectly.

i demand that all of my rights be respected at all times and i waive none of them at any time unless i explicitly and voluntarily state otherwise.

My fee schedule for this 7th “appearance” is: \$5,000 CAD per hour billed on the private side, due June 30, 2022 in cash.

My fee schedule for any future use of my time (other than to hear or read that this entire incoherent and vexatious “case” against me is permanently struck / withdrawn) in connection with this “case” or any related “case”, whether in or outside of “court”, is: **\$100,000 CAD (Canadian dollars) per hour**, to be paid by **each** man and/or woman who moves court against me or “requires”/requests/demands/orders/schedules /notifies or in any way compels or coerces me to use any of my time in any way, whether directly or indirectly. ****Rates subject to change without notice.****

i object to any attempt by anyone to establish any further contract, or “attornment”, debt or joinder without my explicit and voluntary agreement.

i, an innocent woman, was arrested on January 20, 2022. People, including yourself, who i believe are agents of REGINA (my so-called opposing party) acted with the titles “Clerk” / “Justice of the Peace” / “Judge” and moved forward scheduling further “appearances” on February 16, 2022, March 24, 2022, April 12, 2022, May 3, 2022, June 20, 2022 and June 23,

2022. They acted:

- 1)** without REGINA, also known as “the crown”, “the queen”, “the state” ever “appearing” to face me, despite my right to face the man or woman who makes a claim against me (Thomas Piggott has also never “appeared”);
- 2)** without any coherent verified claim of trespass having been made against me by REGINA;
- 3)** based on “charges” that do not allege that i have any lawful obligation to concern myself in any way with “the Criminal Code” (or that “the Criminal Code” has anything to do with REGINA) but allege that i somehow violated said code;
- 4)** based on “charges” that do not allege that i have trespassed in any way whatsoever against REGINA;
- 5)** based on “charges” listed on a so-called “information” that allege harassment and intimidation of “DR. THOMAS PIGGOTT” and make no reference whatsoever to REGINA;
- 6)** based on “charges” but no duly presented original bill of exchange or evidence of a lawful obligation to pay;
- 7)** based on incoherent, unintelligible paperwork listing inconsistent “charges”: the “charge screening form” lists “s. 423.1(b)-intimidation” while all other paperwork cites “264(2)(c)” and “423.2(1)(b)”;
- 8)** based on papers referencing a MASSEY, CHRISTINE (“charge screening form”, “information”) and a MASSEY Christine (“warrant”), and a MASSEY, C. (“crown brief cover”) while i am a woman known as Christine Massey;
- 9)** based on paperwork (“warrant” and “endorsement of warrant”) from an unheard-of court: “Ontario Court of **the** Justice” (not “Ontario Court of Justice”);
- 10)** based on a “crown brief synopsis” that makes no mention of REGINA, is inherently contradictory and was written by a man, Lee Schubert, with no direct knowledge of my activities on or about January 19, 2022;
- 11)** based on a so-called “Information” with no signature and listing a woman, Shawna McCurdy, who has no direct knowledge of my activities on or about January 19, 2022, and that gives no indication of an “Intimidation” charge having been sworn;
- 12)** without proving lawful jurisdiction of “the court” or any of the people involved for *any* purpose; and
- 13)** without my consent and against my express wishes (trespass).

An updated, 4+ page list of outstanding disclosure issues relating to REGINA, claims, “charges” and evidence is enclosed.

The man Paul T. Murray who acts as “crown attorney” has repeatedly given me false information regarding so-called “disclosure”; also repeatedly (i.e. March 30, 2022) Paul refused to discuss this “case” any further with me outside of court and has only once “appeared” in the court to face me despite his continual involvement in moving this “case” against me; Paul and the man Stuart Konyer have also refused to disclose REGINA’s name or contact information or

whether REGINA aka “the crown” aka “the queen” aka “the state” is a man, woman or corporation; further, Paul has provided me no written evidence that he is acting for REGINA or that REGINA knows anything whatsoever about this “case” (see enclosed emails).

There is no reasonable prospect of a conviction in any **court of law** because 1) the “case” is inherently incoherent and vexatious on its face, and 2) even if it weren’t: no evidence corroborates any of Thomas Piggott’s claims that I hit him or spoke to him in a “very threatening voice” the evening of January 19, 2022, or that his home was invaded, or even that i had sent dozens of legal Notices to him and his workplace, while [video evidence \(https://rumble.com/vsyncv-peterborough-moh-served-lies-to-police.html\)](https://rumble.com/vsyncv-peterborough-moh-served-lies-to-police.html) proves that my behaviour at his home was completely lawful, peaceful, unthreatening, unintimidating, friendly, kind and considerate and that Thomas Piggott made numerous false statements to REGINA’s agents who act through Peterborough Police Service and was unreasonable.

Because i have not been provided contact information that would enable me to communicate directly with REGINA, i attempted to settle this matter honourably outside of “the court” via communications with the man Paul, with no “bond”, no guilty plea, no further fraud before this court and no further waste of the court’s time and resources, but Paul refused my offer (see enclosed emails). Paul seeks a “bond” (a debt instrument) from me but fails to duly present a bill or evidence of a true debt; Paul also seeks my agreement to many unfair and unreasonable constraints upon my freedom and i have reasonably declined his offer.

The only lawful and honourable thing that can be done in this “case” is to “strike” the remaining “charge” (which is fraudulent) and the entire “case” against me.

If you move this incoherent and vexatious “case” against me forward in any way, or rectify the above issues but schedule a trial by judge or by “jury trial” (rather than by a **jury of my peers in a court of public record and in accordance with all my God-given rights**) without my voluntary and express consent, or you enforce “Criminal Rules...”, “Evidence Act”, any legal procedures or court rules, or you administer my trust without my voluntary and express consent, or you commit any acts/omissions/presumptions contrary to my good, or you require me to perform labour without compensation according to my specified fee schedule (above) in order to receive full “disclosure” or anything else to which i have a God-given right, then you trespass against me - unless you can accurately answer “yes” to the following **with written verified evidence**:

- am i your property (or property of any man, woman or service corporation that you represent) to administrate?
- did i relinquish my God-given rights to you or to any man, woman or service corporation that you represent? where is the contract of enslavement?

i communicate in everyday English and i am not fluent in legalese, thus ensure that any and all communications with me are in everyday English.

A man might assist as my counselor at law on jurisdiction of this court. i require that he be allowed to join the meeting so that i may consult him according to my lawful right as a woman. He does not represent me in this matter, nor is this man a member of a private society [BAR] acting as a lawyer on legal matters.

i wish the truth be known and to live in peace.

With all my God-given rights reserved,

Dear people acting as Clerk and/or court staff:

If there is some other email address to which I should send this communication, kindly advise me of such immediately to avoid further trespass against me as took place in the court last week.

On June 30, 2022 at 2 PM in virtual "courtroom 3" I will make a 7th special coerced appearance under duress.

Please date-stamp the attached communication that is addressed to the people (i.e. Stuart Konyer) who will act as "Clerk" and "Judge" and file it into "Case No. 3311 998 22 33100161" and ensure that it is provided to these people.

I require that my council at law, a man, be able to join the meeting so that I may consult with him, according to my lawful right as a woman. He is not a lawyer and does not represent me in this matter.

I also require that this meeting be open to the people, not closed.

Please confirm receipt and that the attached letter will be filed into the "case" and given to the people mentioned above.

Respectfully and with all of my God-given rights reserved,

GUILTY PLEA SYNOPSIS

On 19Jan22, at approximately 1845hrs, a Christine Massey and Tyler Berry attended the address of Dr. Thomas Piggott, located at 56 Sophia street, in an attempt to serve Dr. Piggott with paperwork regarding the Covid-19 regulation that Peterborough Public Health have mandated. Dr. Piggott is a doctor with Peterborough Public Health and has had numerous previous incidents regarding the Covid-19 mask and vaccine mandates.

At 1846hrs, Massey walked onto the front porch of the residence of Dr. Piggott and his family and conducted a door knock. Dr. Piggott answered the door and Massey attempted to give the paperwork to Dr. Piggott. Dr. Piggott closed the door quickly without accepting the papers. Massey then placed the paperwork and a USB in Dr. Piggott's mailbox and walked off the porch. The incident was captured on the video surveillance system at the Piggott household.

It is to note that a protest was held outside of Dr. Piggott's home the previous weekend. The protest was in regard to the Covid-19 mask and vaccine mandates.

Upon closing the door, Dr. Piggott instructed his wife to contact the police to have them attend. At this time Dr. Piggott and his wife feared for the safety of themselves and their two young children. Officers attend the residence and spoke with a number of people outside the home. All parties were advised to leave the area.

Upon further investigation revealed the Tyler Berry had completed a Facebook live-stream of the incident where he state's he was there to attempt to help serve paperwork to Dr. Piggott. Berry would have no reason to be at Dr. Piggott's home unless to intimidate and harass Piggott and his family. Massey and Berry have been heavily involved in protesting the mask and vaccine mandates made by Peterborough Public Health.

Reasonable Ground was formed for the arrest of both Massey and Berry for the following charges.

- s. 264(2)(c)- Criminal Harassment
- s. 423.2(1)(b) - Intimidation - Health Services.

Crown Brief Synopsis

An attempt to locate and arrest both Massey and Berry were made however were met with negative results. It is requested that a warrant be issued for their arrest.

Hello,

On Monday I sent you an important communication addressed to the man or woman who would act as "Judge" or "Justice of the Peace" during my "appearance" on Tuesday, April 12th, in order to ensure that he/she would have it before my "appearance".

Can you please explain to me why he (Herbert B. Radtke) did not have it?

Also, Herbert B. Radtke scheduled me for another "appearance" (without my consent and without lawful jurisdiction) on May 3, 2022, 9AM, courtroom 2.

Please disclose the purpose of this 4th meeting so that i might prepare, also whether it will be open to the public, and whether the zoom link will be the same as for the 12th.

Dear Danielle Sidoli acting as "Trial Coordinator" and the man or woman acting as "Court Clerk",

Regarding the 3rd coerced special appearance that I will make, under duress, on April 12, 2022 at 9 AM:

I require that my council at law, Christopher James, be able to join the meeting so that I may consult with him, according to my lawful right as a woman. He is not a lawyer and does not represent me in this matter.

Please file and date stamp the attached communication that is addressed to the man or woman who will act as "Judge" or "Justice of the Peace" tomorrow.

As I noted in emails earlier today with Danielle (attached), I was led by the man Stuart Konyer on March 24, 2022 to believe that tomorrow would be another "pretrial". Danielle indicated this is not the case. Thus I do not know the purpose of tomorrow's court date with someone acting (for "the crown", I believe) as "Justice of the Peace".

Also I do not have an email address or any contact information for the man or woman who will be acting as lawyer for Tyler Berry, so cannot copy them on this filing.

I appreciate your time and attention to this filing.

Hello Ms. Massey,

Due to the volume of emails sent to this generic email, we are not always able to respond immediately.

Justices of the peace preside over matters in courtroom #2. The Trial Office, to which your generic email was sent, does not schedule the justices of the peace.

I have copied Court Services, which is where your documents should be sent, and who can advise of the purpose of your appearance on May 3, 2022.

Thank you,

i sent a letter to the man acting as Judge for my March 24 pretrial to a different email address and he received it and had read it.

i have previously enquired regarding where/how to submit evidence (more documents) and was not told of this email address.

Where are all of these email addresses posted for the people to be aware of?

Are there any other court-related email addresses i should be informed of?

Dear Paul, Mauro, Sara-Jane, and any other man or woman acting as "the crown",

Sara-Jane and Stuart W. Konyer disclosed to me yesterday during the closed-to-public "pretrial" (that I was unlawfully coerced into attending) that "REGINA" (who is mentioned in your so-called "disclosure" package) is also called "the queen", "the crown" and "the state". We all agreed that I had no dealings with "the queen" on or about January 19, 2022 and therefore could not have trespassed against "the queen" in any way.

Sara-Jane also stated that Paul had responded to jurisdiction issues already. In fact, in early February Paul refused to answer jurisdiction-related questions (see attached), and all these months all of you have failed to disclose the name of this man or woman you call "the queen"/"REGINA"/"the crown"/"the state", or any claim that I trespassed against him/her. Nevertheless you proceeded against me (trespass), acting for "the queen".

Immediately provide this man/woman's full name along with a verified claim of trespass against "the queen", or written verified evidence proving that i am your (or "the queen's") property to administrate, or that i contracted to give up my God-given rights... or drop this entire case immediately. You've had 9+ weeks to supply this information.

If "the queen"/"REGINA"/"the crown"/"the state" refers to a corporation (a fiction): no man or woman commits crimes against a fiction, and I have no contract with, nor am i owned by, any corporation. Prove otherwise immediately, or drop this entire case immediately.

Failure re the above means that further trespass will occur and more public resources wasted.

Respectfully and with all of my God-given rights reserved, without prejudice,
Christine Massey

As I previously indicated this is not an appropriate disclosure request and it will not be addressed further. You may bring your proper disclosure application to the court should you see fit to do so.

Further, I understand that you phoned Ms. MacDonald directly. In the circumstances that is inappropriate and must desist immediately. In the future, please limit your contact to proper disclosure requests to the Virtual Crown Peterborough email box and only the Virtual Crown Peterborough email box. Paul,

You "understand" wrong. I have never phoned Sara-Jane (nor would I, because I always prefer important communications to be in writing). Feel free to prove me wrong.

Nor have I engaged in any remotely vexatious and frivolous behaviour towards you or anyone else involved in this tiresome "case" that is built on blatant lies and fraud.

It is you and your colleagues who are wasting the resources of the people of Peterborough pursuing baseless, impossible-to-prove charges and trespassing against me.

I'm quite certain that I'm well within my God-given rights to send emails re basic facts about my "opposing party" (that each of you claim to speak for) or any other "disclosure" queries, to the people who act against me in court.

Kindly cease and desist your false claims and insinuations about me. It's been distressing enough having to deal with Thomas Piggott's blatant lies, being arrested for perfectly lawful behaviour, threatened with further arrests, having my reputation smeared, being accused by a so-called "Justice" in a closed-to-public "court", and having a team of BAR members try to take away my freedom and damage my future prospects.

Dear Thomas,

This communication is sent to you via a man or woman acting as "crown attorney", so that we might avoid further fraud upon the court and further waste of court time and resources by settling this matter privately and move forward to live in peace.

It has come to my attention that on the evening of January 19, 2022 you told people who act for Peterborough Police Service (PPS) that i had:

- spoken to you in a *"very threatening voice"*;
- *"lashed out at"* you;
- hit your right hand;
- sent you *"at least a dozen"* emails saying that you have been served with *"legal notice for committing crimes against humanity for vaccinating children and that actions would be taken"*;
- sent the same sort of emails to Peterborough Public Health on a *"near weekly basis for the past 6 to 12 months"*;
- *"invaded"* your home and your privacy.

None of the above actually [occurred](#), your claims are not backed by any evidence and [video evidence](#) disproves most of your claims.

Thus Alicia McGriskin, a woman acting for Peterborough Police Service, told you there were no grounds for charges and she refused to lay any, even after you appealed to Scott Gilbert and pressure was applied on Alicia.

Arrests and charges occurred only because the matter was reassigned to men willing to overlook the lack of evidence. Further, i have on record 'tacit' agreement with Scott Gilbert and Ryan Black - the man who trespassed [arrested me] - that they violated their oaths.

My motivations and actions in visiting your home were completely lawful, honourable and motivated to protect the people across this country. Enormous evidence surrounding "COVID-19" proves it is a lie;

this includes the 181 worldwide “SARS-COV-2” isolation/purification [freedom of information responses](#).

i do not stand alone as doctors, nurses, scientists and lawyers worldwide have further exposed that fraud and genocide is occurring.

i reached out to you because time is of the essence and your role requires you to protect the people you allege to serve. This is not a game, it is the most serious Truth in our world.

i served you at your home rather than at your workplace because: 5 men acting as “security” guards and police prevented me from entering the office building at 185 King Street in order to lawfully, peacefully serve you there, by myself, on January 5, 2022.

If this matter proceeds to trial: further fraud and waste of precious court time and resources will occur; you and your partner will be required to testify under oath on the public record and the verifiable facts [\[video\]](#) will be produced showing the truth.

i therefore extend my offer to settle this matter privately.

i give my word today in writing that i will not return to your home ever again. If any communications are to occur it will be at another location or via registered mail, email or fax.

God teaches us to forgive one another; this is what i wish to do. i wish to live in peace.

Respectfully, and with all of my God-given rights reserved, without prejudice,

A red ink fingerprint, likely a thumbprint, is visible above the signature line.

Ms. Massey, your offer/promise as set out is not accepted by the Crown as it is unenforceable should it be breached. As I believe you were advised at the judicial pre-trial, the Crown will agree to withdraw the Criminal Code charges against you if you enter into a s.810 criminal code recognizance with the following terms and conditions:

1. Duration: 12 months
2. \$1,000 bond, no deposit
3. Keep the peace and be of good behaviour
4. To have no association or communication directly or indirectly by any means whatsoever with Dr. Thomas Piggott or any member of his immediate family
5. To have no association or communication directly or indirectly by any means whatsoever with Tyler Berry
6. To remain 200 metres away from any known place of residence, place of employment, place of education, place of worship or any place Dr. Piggott is known to be or to frequent.
7. To not possess any weapons as defined by the Criminal Code

A s. 810 peace bond does not require any admission of guilt and it is not a criminal conviction. It is however enforceable under the Criminal Code, should you breach any of the terms therein. Should you not wish to enter into the s. 810 peace bond, we should move the matter forward by setting a date for trial, as is your right.

Again, I would urge you to speak to a lawyer.

Paul,

i already made clear that i would not agree to any of those things, since i have done absolutely nothing wrong and have no reason to forfeit any of my freedoms.

agreeing to such conditions would imply that i had engaged in some sort of criminal behaviour and would reflect badly on me, an innocent woman.

Further, having contact with the man who acts as medical officer (and thereby exerts influence over my life and the lives of virtually everyone in the community), or with Tyler Berry, or attending certain locations would not make me a criminal and i will not pretend that it would.

you are suggesting that we move forward to a trial in a biased court run by agents of REGINA, my so-called opposing party.

you are suggesting that we move forward to a trial without any claim of any sort that i have trespassed in any way against REGINA.

you are suggesting that we move forward to a trial based on "charges" stemming from blatantly false claims made by Thomas Piggott and a fraudulent warrant.

you are suggesting that we move forward to a trial based on "charges" alleging that i violated the Criminal Code, without even alleging that i am subject to the Criminal Code (which i am not).

you are suggesting that we move forward to a trial when video evidence proves that Thomas Piggott lied to police, was unreasonable, and that i did nothing wrong.

etc., as outlined in my letter.

my promise is enforceable under the common law. i would be trespassing on Thomas Piggott's property if i were to return to his home knowing that he does not want me there.

nothing involving me is **lawfully** enforceable under the Criminal Code, unless you can prove **with written verified evidence** (a lawful contract involving a meeting of the minds, full disclosure, and all other necessary elements of a lawful contract) that i am subject to that code.

i urge you to stop participating in fraud, to stop wasting the time and resources of the court, and to stop trespassing against me by pursuing this incoherent, vexatious case against me.

Respectfully and with all of my God-given rights reserved,

Ms. Massey, your letter was not sent to Dr. Piggott. You are presently on an undertaking with terms not to have any form of communication with Dr. Piggott, as well as Tyler Berry and Laura Jewell. Your letter was not forwarded as that would be a breach of your undertaking. I must caution you that if you were to communicate with Dr. Piggott in any fashion, including delivering the letter, the police may very charge you with a further criminal code offence of breach of undertaking.

Paul, as i have explained **over and over again**, i am not "on" any "undertaking".

An unsigned piece of paper labelled "undertaking" is just that, a **meaningless** unsigned piece of paper, just like an unsigned piece of paper labelled "contract".

Further, even if i had signed that piece of paper, which i did not, there is no "**check mark**" anywhere on it. i suggest you go back and review what that piece of paper actually says.

It's shocking that i have to explain this to a lawyer.

These continual false statements from you and the police about me being subject to a nonexistent undertaking strike me as bullying tactics. Please stop.

Respectfully and with all of my God-given rights reserved, without prejudice,

Ms. Massey, I have attached the undertaking, which I most assuredly can advise you does exist and binds you accordingly pursuant to s. 498 and 501 of the Criminal Code. Specifically section 501(6) of the Criminal Code holds that a refusal to sign the undertaking does not invalidate the terms. That is the law. The undertaking is valid in the eyes of the Court and should you breach it the police may arrest and charge you.

Paul, the Criminal Code is not a law, it's a corporate policy/code written by BAR members and it has nothing to do with me.

As I explained to you 4 hours ago:

Nothing involving me is **lawfully** enforceable under the Criminal Code, unless you can prove **with written verified evidence** (a lawful contract involving a meeting of the minds, full disclosure, and all other necessary elements of a lawful contract) that i am subject to that code.

Anyone who arrests me based on this fake law and the fake undertaking that **doesn't even have any check marks on it** would be committing a crime themselves.

I hope you one day learn the difference between legal and lawful.

Ms. Massey, I have reviewed the video that you provided in this matter. I would point out to you that you are not charged with assault, but rather with criminal harassment and extortion of a medical professional. It is clear from the video (provided by you) that you attended Dr. Piggott's personal residence on a ruse of welcoming him and his family to the neighborhood. It is clear as well that in that deceit you attempted to provide him with some documentation against his will. You use the term "served", but I am wholly unaware of any lawful action commenced in any court in Ontario against Dr. Piggott or any member of his family. Please correct me if I am wrong in that assessment (i.e. have you filed any notice of action or any statement of claim in any level of court in the province?). If not, then there is no lawful right to "serve" documentation that has no legal underpinning.

I find your threat of lawful action against the Crown unhelpful. The Crown assesses each case on the basis of whether there is a reasonable prospect of conviction. What the video confirms is that you attended en masse with others to an individual's personal residence, with no notice and under a deceitful guise for no lawful purpose. You did so knowingly or recklessly as to whether your actions in all the circumstances caused Dr. Piggott to be reasonably fearful for his safety. Dr. Piggott has expressed fear for the safety of himself and his family arising from your actions. Those are the essential elements in relation to a criminal harassment charge. Whether you engaged in physical contact with Dr. Piggott is not determinative,

As for your disclosure requests set out below, I can advise as follows:

1. Video: you have the entirety of Dr. Piggott's surveillance video from his house. You have separately provided video taken by one of the individuals who accompanied you to the door, and that is not further disclosure the Crown is required to provide, as you are in possession of it.
2. The Crown does not prepare transcripts of audio or video files, nor are we required to do so except in certain circumstances that do not exist here. You may of course produce your own transcript as you see fit for your purposes. If we do have a transcript created we will provide it as further disclosure.
3. We have requested the 911 call from Dr. Piggott's residence. It contains personal identifiers and we have asked that those be redacted by police. Once that redaction occurs, we will disclose it to you.
4. Chief Gilbert has no notes in relation to this incident
5. S/Sgt. McLean has no notes in relation to this incident
6. Inspector Lyons has no notes in relation to this incident

7. Pages 46, 86 and 87: redactions are to remove personal or other material not relevant. Each of those pages are confidential CPIC inquiries and are clearly irrelevant to any issues of guilt or innocence.
8. Redacted pages 11-28: Show cause hearing reports are not disclosable; any relevant information contained therein is already in the other parts of disclosure.
9. We have requested the other pages of your letter dated January 26, 2022, however I would note that since you have a copy, you are not prejudiced in any fashion at this juncture.
10. There are no additional witness statements from Robert Cowie or Lily Gamble; they were listed as witnesses, but as I understand it no statements were taken.
11. D/C Black's card is redacted to remove his contact information. It is not relevant to the proceeding.
12. Shawna McCurdy is a civilian member of the police service who is authorized to review briefs and swear to informations as part of her duties. She has no notes in this matter.
13. Sgt Elliott: we have made inquiries as to whether Sgt. Elliott has any additional notes.

I understand that a further disclosure package with supplementary reports confirming some of the matters above as well as Facebook video from Mr. Berry's arrest will be available shortly.

Thank you.

Ms. Massey, either you left the courtroom deliberately or you were otherwise cut off and were unable to dial back in. As a result, Justice Konyer has issued a bench warrant for your arrest but to be held in his discretion. He requires your appearance (virtually is acceptable) on June 30, 2022 at 2:00 p.m. in Peterborough #3 court. I have attached the zoom link. Should you choose not to attend at that time and location, as the Crown I will ask that Justice Konyer release the warrant to be executed (i.e. to effect your arrest). If you do attend, a trial date will be set as indicated. I will continue to hold out the opportunity to enter into a common law peace bond as discussed until the point that the trial date has been set. This would mean that there would be no criminal conviction, but an enforceable common law order for the protection of Dr. Piggott and his family for a period of 12 months.

As for any additional disclosure, my staff advises me that a thumb drive (which has the 9-1-1 call) and additional paper disclosure awaits you at our front counter. I am also told that you were previously advised that it was there waiting for you to pick it up. I accept that there may have been a misunderstanding, but to be clear you may attend our office between the hours of 10-12 and 2-4 Monday through Friday to obtain it, since you decline to have it sent to you electronically.

Further, and I say this as an officer of the Court, despite His Honour's patience, should you impugn the integrity of any judicial officer again as you did today in open court with Justice Konyer, I will ask that you be found in contempt of Court. If so found, it normally leads to immediate arrest until the contempt is purged. As a Crown Attorney I will not condone or tolerate any disrespect to Canada's judicial institutions nor its officers and will take the appropriate steps should it happen again.

Again, I strongly urge you to consult a lawyer (member of the Law Society of Ontario) with respect to these matters and your potential jeopardy.

I am not providing you with legal advice, but it would be prudent to attend on June 30, 2022 in #3 court at 2:00 p.m.

Hi Paul,

1. Are you referring to, and do you claim to speak for, the **man** known as **Stuart** Konyer? If so, I'm quite certain he is capable of communicating to me himself. If Stuart "requires" something of me, he'll need to reach out to me directly and I'll see if I can help him. I can't imagine what more he could possibly want from me.
2. Regarding your "offer" of a "common law peace bond", what **exactly** are you talking about? Previously (on May 2, 2022, 10:37 AM, see page 33: <https://www.fluoridefreepeel.ca/wp-content/uploads/2022/06/NoticeSpecialCoercedAppearanceJune23.2022-w-TP-attachments.pdf>) you suggested that I "**enter into a s.810 criminal code recognizance**" with 10 ridiculous terms and conditions and I promptly explained to you (see pages 34 - 37) why I have no interest in such and corrected your false claim that **my offer** would not be enforceable.
3. I picked up some "disclosure" in February, and more on March 1st. Today was the 1st time I have heard that any further "disclosure" awaits me at your office. When did anyone from your office (allegedly) contact me about this?
4. Please stop representing me. I **never** declined to have disclosure sent to me electronically, in fact I requested that it be sent to me via email. What I refused was to be coerced into opening any "accounts" in order to receive the "disclosure" (to which I have a lawful right) online.
5. As I have repeatedly explained to you and your colleagues, Paul: I am a woman and you, like it or not, are men and women.

You can call yourselves all the fancy names you like, and throw around phrases like "freeman on the land" to your heart's content... but it doesn't make your "authority over" the people lawful, especially when you are unlawfully trampling on our rights as you have been doing to me **for the last 5 months**. It doesn't make your threats, including this latest one, lawful or just or even a tiny bit mature or reasonable.

I suggest that you stop to consider the extent to which your actions **disrupt the lives** of the people with whom you interfere, and ask yourself why you are so determined to **criminalize a woman for peacefully, kindly, lawfully pursuing justice** (as shown in the video evidence that has been seen by tens of thousands of people: <https://rumble.com/vsyncv-peterborough-moh-served-lies-to-police.html>).

Any man who threatens to have a woman arrested because he can't handle her disputing - basic on simple facts - the truth, validity, or honesty of someone's alleged integrity seriously needs to look inside and ask himself how on Earth he ever got so far off-course. It's truly pathetic.

Honourable men and women would serve the people of this community in a fair and lawful manner. Not harass, threaten, bully, aggravate, smear, lie and participate in blatant fraud and illogic. You don't appear to respect even the most fundamental aspects of law and seem mightily confused between law and the **corporate rules that you seem to worship but have nothing to do with most people**.

1. Paul, you failed to disclose which 2 "police officers" you "might" call as "witnesses". There are at least **ten** people working for PPS who were involved in this case (**none** of whom have any direct knowledge of my activities on the night of January 19th). Am I supposed to read your mind as to which 2 you have in mind?

2. I highly recommend that you and your "friend" Stuart have a come-to-Jesus moment really soon on this matter, because **at least 3 times** after we returned to the open zoom session, Stuart stated that the **pretrial was complete**. And then you conspired together to have a warrant issued for my arrest, to further criminalize my pursuit of justice.

Ms. Massey:

1. I will provide you a formal witness list prior to the trial
2. Although the trial date was discussed in the judicial pre-trial, it was not set on the record in open court as you left the virtual courtroom before that occurred. You are required to attend on June 30, 2022 at 2:00 p.m. virtually in #3 court for that date to be formally set. If you chose not to attend, the Crown will ask that the warrant be released for your arrest for failing to appear in court. I indicated to His Honour that I would communicate with you to advise you of the next court date.
3. The paper disclosure and thumb drive awaits you at our office for you to pick up at your convenience.

I am not addressing your remaining nonsensical comments, allegations or attacks on my integrity, nor will I be engaging in any further discussion with you regarding this matter. I will respond to reasonable requests in writing and fulfill my obligations as required by the Rules of the Ontario Court of Justice and Canadian case law precedent. If you dispute or wish to challenge my responses you may bring the appropriate application in writing to the trial judge in accordance with the Rules of Criminal Procedure, which can be located at the Ontario Court of Justice website. If you wish further details regarding the force and effect of a common law peace bond, I suggest you retain counsel, as you are correct that I do not represent you. Should you decline to enter into the peace bond, the Crown will proceed to trial in the matter. At the conclusion of the trial, a judge of the Ontario Court of Justice will determine guilt or innocence, again in accordance with the Rules and precedent.

Hi Paul,

I don't deal with imaginary crowns and honours, only men and women. Who (name of man or woman) "requires" me to "attend" on June 30, 2022?

If your friend Stuart is threatening to issue a warrant for my arrest despite the fact that I trespassed against no one by leaving "his" circus of a court after he repeatedly said that my pretrial was complete and muted me, and you can't see the blatant insanity, fraud and injustice of this... please for the sake of humanity contemplate what you are complicit in.

Your friend already advised me of a trial date. If he didn't mean it, he needs to stop talking nonsense behind closed doors. I cannot take seriously a man who says one thing behind closed doors and another publicly. This makes the entire closed session even more of a farce. Clearly it was a total waste of my time and had no legitimate purpose, in addition to being a coerced violation of my rights as a woman.

Your understanding and mine of the phrase "common law" are not the same. I concern myself with right versus wrong, law and justice, not corporate rules and prior opinions and decisions from REGINA's agents. Nothing about this case has anything to do with law or justice.

You did not answer my question regarding your offer. I am not going to hire or ask someone else to interpret your offer, nor am I lawfully required to do so. It's your duty as a man who is pursuing this (unlawful, baseless) case against me to communicate with me in good faith and you are not doing so. Instead you are hiding behind the rules of a corporate cult that operates under the colour of law. And you already know full well what I am and am not willing to do.

Why are you refusing to provide to me now the names of the people who you intend to call as witnesses if this matter ever goes to court? You put on a show of giving me this information yesterday when in fact you are still not willing to disclose it.

I already visited your office yesterday afternoon before 5pm, at the time of least inconvenience to me, and your office was closed. So now I will be further inconvenienced to visit again during the time of your convenience to pick up the extra "disclosure" that was previously withheld from me. If you really intended to avoid further inconveniencing me you would simply email me the materials. But your cult rules don't allow that.

Hi Paul,

Since you are restricting my access to your office based on "COVID", I require your proof that it exists. It will be needed if your incoherent and vexatious "case" goes to trial, as well.

I can assure you Thomas Piggott will not be able to help you with this, nor will any Canadian institution, or any health or science institution anywhere. I have hundreds of freedom of information responses showing this to be the case, as you already know if you read the Notice that I served to Thomas.

Another disclosure item that I require is the bond number associated with boths warrants that have been issued for my arrest, and a copy of the new warrant.

I'll add these items to my list of outstanding disclosure issues. The list is already 4 pages long.

Dear people acting as Clerk and/or court staff:

Please confirm whether a man or woman is "allowed" to "appear" in the physical court rather than by zoom or phone.

If "yes", then:

If someone "appears" in the physical courtroom rather than by telephone or zoom, will media and observers who logged into the zoom call be cut off or will they still be able to witness the proceeding (including the man or woman who is making the "appearance")?

I require this information for future court "appearances".

Exhibit No.

E: Opinion and Consent of General Counsel, Finance Legal Services, Department of Justice (Canada)

OUTSTANDING DISCLOSURE ISSUES

In the 5+ months since being arrested on January 20, 2022:

- i have not been provided with any claim whatsoever alleging that i have trespassed in any way against REGINA who is my so-called opposing party; the “charges” make no mention of REGINA, thus no “cause of action” has been disclosed to me
- i have not been provided any contact information that would enable me to communicate directly with REGINA so that we might clear up or settle this matter honourably outside the court (thereby saving precious time and resources paid for by the people)
- i have been “charged” but not duly presented an original bill of exchange, or any verified evidence of an obligation to pay
- i have not been provided any disclosure alleging that the “Criminal Code” is something that I have any lawful obligation to concern myself with or could possibly violate (i.e. a contract establishing obligation, bearing my name and signature or thumbprint)
- i have not been provided any written verified evidence that the man Paul T. Murray or anyone else acting as “crown” (Sarah-Jane MacDonald, Mauro DiCarlo) represent a man or woman named REGINA or that REGINA knows anything at all about this “case”
- i have not been provided the critical video evidence that is mentioned in the “supplementary occurrence report” (a report that I only learned of on June 23, 2022 and obtained on June 24, 2022) that lists “#297 JACKSON, C.” as author and “#529 LEE, M.” beside “Entered by:”, and “report time: 2022/03/18”. By omitting [this video](#) from “disclosure” Paul Murray has put the onus on me to bring it forward as evidence.
- i have not been provided any disclosure relating to REGINA’s, Lee Schubert’s, Paul’s, or anyone else’s, review of [the video](#) that is referenced in the “supplementary occurrence report” of 2022/03/18; the supplementary occurrence report states “PC Jackson seized the USB stick... and placed it into evidence for Crown review...**Please create a task for investigating officer PC L. Schubert to review this report**” (in fact I had to insist that he take the USB from me, as shown in 2 videos that i recorded at PPS station:
https://www.youtube.com/watch?time_continue=1&v=B3A4pwgwAjU&feature=emb_logo
https://www.youtube.com/watch?time_continue=1&v=RImrHi8kjPo&feature=emb_logo)
- i have not been provided Thomas Piggott’s entire surveillance video of my peaceful, lawful visit to his house, only a significantly and obviously edited/censored version.

Paul T. Murray claims that the censored version is all that the police have but he has shown himself to be an unreliable source of information (see notes re Shawna McCurdy etc., below);

- **i have not been provided any disclosure indicating who censored Thomas Piggott's surveillance video, or whether Thomas Piggott has been asked by REGINA, Paul or by PPS for the entire video**
- **i have not been provided any disclosure as to whether I am alleged to have acted knowing that Thomas Piggott was harassed or recklessly or both; in the closed, private "pretrial" on June 23, 2022 in front of the man Stuart Konyer (in the court that Konyer twice claimed is "his") the man Paul Murray indicated "either/or" but as a woman I have the right know the exact allegation against me and cannot lawfully be required to guess about it**
- **i have not been provided any disclosure as to how the alleged "harassment" of Thomas Piggott allegedly involves REGINA - but as a woman I have the right know this and cannot lawfully be required to guess about it**
- **I have not been provided any disclosure as to whether i am alleged to have beset or watched, or both - but as a woman I have the right know this and cannot lawfully be required to guess about it**
- **i have not been advised exactly who REGINA intends to call as witnesses; in the closed, private "pretrial" on June 23, 2022 in front of the man Stuart Konyer, the man Paul T. Murray stated that **he** intends to call Thomas Piggott and Laura Jewell and 2 people who work for Peterborough Police Service and did not name those 2 people. At least **15 people** who work for PPS are mentioned in the "disclosure" (which has nothing whatsoever to do with REGINA) and I cannot be expected to guess who REGINA intends to call if this case is pushed forward to trial held despite its inherently incoherent and vexatious nature.**
- **i have not been provided any disclosure as to what "sentence"/remedy REGINA would seek**
- **i have not been provided any disclosure as to whether or not a name has been scrubbed from the "witness" list - there is a blank line in the list that was provided to me in "disclosure"**
- **i have not been provided any recordings or transcripts of any of the phone calls that were made between any of the following people in relation to this "case", nor**

provided any disclosure as to whether any recordings or transcripts exist, despite the fact that police notes mention that calls were made between Thomas and Alicia, and that Thomas called Gilbert, and that Gilbert and Lyons called Elliot (or someone at PPS) demanding that charges be laid.

- - Thomas Piggott
- the woman Alicia McGriskin who refused to lay any “charges” against my colleagues or I, even after being pressured by Gilbert and Lyons
- the man Scott Gilbert
- the man John Lyons
- the man/woman (Jo Anne?) Elliot who acted as Staff Sgt
- **i have not been provided any notes from woman/man S/Sgt (Jo Anne?) Elliott or advised whether any such notes exist**, despite her apparent (as per the “police notes” of Alicia McGriskin) conversation with Gilbert and Lyons who insisted I be charged, her discussion with McGriskin who refused to charge me, and her briefing of Lee Schubert and Lemay who woke me and tried to arrest me at midnight without a warrant. – Paul T. Murray told me long ago that he has made inquiries as to whether Sgt. Elliott has any but now refuses to discuss “disclosure” with me outside of court
- **i have not been provided any statements or notes from COWIE, ROBERT or GAMBLE, LILY (listed as "witnesses") and GAMBLE, LILY is not mentioned anywhere else in “disclosure”.**
- **i have not been provided pages 11-28 (show cause /BAIL HEARING reports) or pages 46, 86 and 87 (21 pages in total) of the initial "disclosure" package – these were completely redacted.** Paul Murray - who claims without proof to speak for REGINA - claims that these are confidential / not disclosable and are “clearly irrelevant” to any issues of guilt or innocence, but i have a right to access records that are about me and that may lead to discovery of further relevant evidence, and nothing about these records is clear to **me** when i have been prevented from seeing them, and, these records were initially added to disclosure for a reason so must be relevant
- **i have not been provided any notes from the woman who acted against me as so-called “informant” - despite having no direct knowledge of my activities on January 19, 2022 - Shawna McCurdy, and have not been advised whether any exist.** On Wed, Mar 23, 2022 at 10:02 AM Paul T. Murray claimed in an email to me that Shawna McCurdy is a civilian member of the police service but the so-called “information” and news reports state her occupation as POLICE OFFICER. (In that same email Paul falsely stated that I was charged with “*criminal extortion of a medical professional*” and that I already had “*the entirety of Dr. Piggott’s surveillance video from his house*”.)

- **i have not been provided transcripts of any audio or video files that were included in “disclosure”** via PPS - Paul T. Murray claims they haven’t been transcribed but he has shown himself to be an unreliable source of information (see note re Shawna McCurdy, above) and he has provided me no proof that he speaks for REGINA
- **i have not been provided a copy of Ryan Black’s notes** that include his PPS business card and show his un-scrubbed card, even though this man arrested me and his card might lead to discovery of further relevant evidence
- **i have not been provided disclosure as to whose court this “case” is being dealt with in;** during the closed, private “pretrial” on June 23, 2022, the man Stuart Konyer twice stated that it was **his** court, and when i asked Stuart to clarify and confirm if that is true he changed the topic and would not disclose the information to me, as though i have a right as a woman to know whose court i’m being ordered/coerced to attend
- **i have not been provided disclosure as to who the men/women who are acting as “judge”, “justice”, court staff, etc. in this “case” work for and/or have taken oaths to,** but i have a right as a woman to know whether they 1) are agents of REGINA (my alleged “opposing party” who has never once “appeared” during this entire “case”), 2) have taken oath(s) to the BAR association or any other organization or man/woman/corporation, and 3) have taken an oath to the people,
- **i have not been provided disclosure as to who the men/women who are acting as “judge”, “justice”, court staff, etc. in this “case” have any conflicts or potential conflicts of interest that could bias them against me in this case**
- **i have not been provided disclosure regarding any monetary amounts associated with this “case” and the “harassment charge”** (i.e. actual or potential payments or financial incentives for Paul, Stuart or anyone else who is acting for “the crown”/“the state” in connection with this “case”; charges or potential charges relating to a trust of which i am presumed to be the beneficiary, administrator or trustee)
- **i have not been provided any disclosure regarding my lawful attempt on January 5, 2022 to serve Thomas and Larry Stinson at their workplace (by myself),** which was unlawfully blocked by “security” guards and men acting for PPS, or the trespass ticket that proves I was unlawfully prevented from serving Thomas and Larry at their workplace on that day (obstruction of justice) – despite the obvious relevance to this “case” and specifically to my reason for serving Thomas at his home on January 19, 2022
- **i have not been provided disclosure regarding any review by anyone of any of the many similar Notices that i had already issued to: PPS on December 18, 2021 with roughly 50 people in attendance** (<https://www.fluoridefreepeel.ca/emergency->

[communication-to-all-ontario-police/](#)) and to other police service corporations prior to serving Thomas at his home on January 19, 2022 – despite the obvious relevance to this “case” and specifically to my obvious motivation for visiting Thomas’ home on January 19, 2022, and despite the fact that a list of said filings was including in my Notice to Thomas

- i have not been provided with the warrant that was issued by Stuart Konyer for my arrest on June 23, 2022
- i have not been provided copies of the bonds or even the bond numbers associated with the warrants that were issued for my arrest on January 20, 2022 and June 23, 2022
