Christine,

I hope this email finds you well. I know you are as busy as a beaver. My original FOIL/FOIA request to the New York State DOH was in January. They sent me an email that they needed until April to prove the requested information. Now they sent a letter (below) stating they need until June to provide information for my request.

Just wanted to update you on my requests.

All the best,

Lou

Hi Christine,

I hope all is well. I know you are busy uncovering the SARS-COV-2 virus and COVID-19 pandemic worldwide scam. From my original January 4, 2022, FIOL/FOIA request for the proof of the existence of SARS-COV-2 and other information the New York State Health Department for the 3rd time extended the providing me with the information. Now, its August 17. See attached for your records.

Kind regards,

Lou [REDACTED]
