Gavin Newsom, man who acts as Governor of the State of California

Dear Gavin,

I require access to general records, as per the *Public Records Act*.**Description of Requested Records:**

All studies and/or reports in the possession, custody or control of yourself - and/or the people at the "Office of the Governor of the State of California" who advise you - that scientifically prove the existence of the alleged "**SARS-COV-2**".

Note:

Scientific proof is NOT

- Opinions
- Speculation
- Review papers
- Descriptive papers

Scientific proof requires

- Use of the scientific method
- Repeatable and falsifiable hypotheses that have been tested using valid, controlled experiments where only 1 variable differs between the experimental and control groups
- In this case, the 1 manipulated variable would be the presence/absence of purified particles that were found in people with "COVID-19" symptoms
- Consistent results from valid controlled experiments (i.e. identical "genomes", identical proteins, consistent in vivo effects)

Records that do not describe the testing of falsifiable, repeatable hypotheses regarding the existence of this alleged "virus" (meaning the existence of the alleged particle and its alleged causation of disease) are disqualified from my request.

Publicly available records:

If any records match the above description of requested records and are currently available to the public elsewhere, please provide enough information about each record so that I may identify and access each one with certainty (i.e. title, author(s), date, journal, where the public may access it). Please provide URLs where possible.

Format:

Pdf documents sent to me via email; I do not wish for anything to be shipped to me.

RE: Public Records Act Request

Dear Ms. Massey:

This letter is in response to your correspondence, received October 3, 2022, requesting: "... All studies and/or reports in the possession, custody or control of yourself - and/or the people at the "Office of the Governor of the State of California" who advise you - that scientifically prove the existence of the alleged "SARS-COV-2"."

Scientific studies relating to COVID-19 and its variants can be found on the website of the federal Centers for Disease Control, including at the following link <https://www.cdc.gov/coronavirus/2019-ncov/science/science-briefs/scientific-brief-emerging-variants.html>.

Any other records responsive to your request are exempt from disclosure as records of correspondence of or to the Governor or the Governor's staff (Gov. Code, § 6254, subd. (I)) or records that reveal the deliberative process of the Governor or his staff (Gov. Code, § 6255; *Cal. First Amend. Coalition v. Super. Ct.* (1998) 67 Cal.App.4th 159; *Times Mirror Co. v. Super. Ct.* (1991) 53 Cal.3d 1325), among other exemptions. Therefore, we are not producing any additional records in response to your request.

Thank you for contacting the Governor's Office.

Sincerely,

Hello,

The response letter is false, there are no **scientific** studies at the link provided. The CDC has already been FOI'd about this 8+ times and they have none.

I accuse Gavin Newsom of misleading the People, and of promoting a fraud and crimes against humanity.

Freedom of Information Responses reveal that health/science institutions around the world (211 and counting!) have no record of SARS-COV-2 (the alleged covid virus) isolation/purification, anywhere, ever:

<https://www.fluoridefreepeel.ca/fois-reveal-that-health-science-institutions-around-the-world-have-no-record-of-sars-cov-2-isolation-purification/>

FOIs reveal that health/science institutions have no record of any "virus" having been found in a host and isolated/purified. Because virology isn't a science:

<https://www.fluoridefreepeel.ca/fois-reveal-that-health-science-institutions-have-no-record-of-any-virus-having-been-isolated-purified-virology-isnt-a-science/>

Do virologists perform valid control experiments? Is virology a science?
