3311998223310016101, "Short Title of Proceedings" R. v MASSEY, CHRISTINE, at Ontario Court of Justice, 70 Simcoe Street, Peterborough, Ontario, Canada on September 26, 2023, including but limited to Timothy who sometimes acts and/or does business as The Honourable Justice Timothy E. Breen,

Greetings,

Subject: REGINA v. MASSEY, CHRISTINE, R. v MASSEY, CHRISTINE, Case Number 3311998223310016101

A matter is allegedly before the Ontario Court of Justice. It is referred to as File # 3311 998 22 33100161" and/or "3311998223310016101" and/or "REGINA v. MASSEY, CHRISTINE" and variations thereof. It involves Peterborough Police Service occurrence #: PB22001282.

On January 20, 2022 Ryan Black acting for Peterborough Police Service handcuffed and detained me against my will. He told me I was "charged under the Criminal Code". He gave me papers suggesting that I "must attend court" on "the 16th day of February, 2022" in "Courtroom No. 2" at "70 Simcoe Street, Peterborough, Ontario".

In the 20+ months since, I have never been served with any proceedings issued by any court.

Further, no one has given/served me any claim of trespass or bill of particulars.

In so-called "disclosure" that I accepted from "the Crown" conditionally upon it containing a verified claim from a man or woman that I had trespassed against them causing wrong or harm, I have only been given what appear to be internal corporate forms. One such form is labeled as "Form 2 Information". It is missing elements of the "Form 2" shown in the "Criminal Code". This "Form 2 Information" does not indicate that it was sworn before anyone acting for the Ontario Court of Justice or any other court.

Another form that I obtained from court staff is labeled "Intake Court Endorsement". It bears the name of what appears to be an imaginary court called "Ontario Court of the Justice".

I have sent many communications to court staff asking for all related files/records. No one acting for the court, or for Peterborough Police Service or allegedly acting for "the Crown" / REGINA has given me any papers or electronic records bearing the name of the court "Ontario Court of Justice".

People allegedly acting for “the Crown”, the court and Peterborough Police Service have given me various papers and/or electronic records bearing the name of what appears to be an imaginary court called “Ontario Court of the Justice”. This includes a paper and electronic record labeled “WARRANT FOR ARREST”.

I have been served/provided no summons, notices or records/files/documents that are addressed to me in relation to this matter. I have only been given what appear to be internal corporate forms.

On March 24, 2022 Stuart Konyer acting as Judge stated on the record that REGINA is “the queen”. On the record, he and Sara-Jane MacDonald acting as “the Crown” agreed that I had no dealings with “the queen” or anyone named “REGINA” or on or about January 19th, 2023 and that I don’t have a contract with “the queen” or anyone named REGINA and thus I cannot have trespassed against “the queen” or anyone named “REGINA”. Further, the woman Elizabeth who was known as “the queen” to many has died and yet this matter of "REGINA v. MASSEY, CHRISTINE" is still being discussed. I therefore conclude that “REGINA” also known as “the queen” is not the woman Elizabeth.

I cannot comprehend the position of “REGINA” / “the Crown” and I do not know who or what REGINA is.

I cannot prepare for any court “appearances” without being served a coherent claim describing a cause of action involving REGINA.

I have never agreed to a trial or any future “appearances”. All of my past “appearances” were coerced special appearances under threat of “arrest” should I “fail to appear”. I have never agreed to perform labour without compensation. I have never given jurisdiction or power of attorney to anyone. I am not incorporated. I have never agreed to contract or joinder in this matter. I have previously notified Paul Murray, other agents, and principal(s) of such facts on August 3, 2022 and on multiple other occasions and received no response. My previous notifications have included my fee schedule, which is subject to change without notice.

“The Crown” has not given me the list of people who they intend to call as witnesses at a trial that I never agreed to and that was scheduled for December 5, 2023 - almost 2 years after I was handcuffed.

On September 19, 2023, Paul Murray allegedly representing “REGINA” sent an email (see enclosed) to one of my email addresses. He wrote: “I have brought the information forward to September 26, 2023 in Courtroom #3 at 70 Simcoe. At that time, the Crown will ask the Court to impose a stay of proceedings and as a result the matter will be concluded. You are of course welcome to attend on that date, but if you do not I will confirm with you the matter has been completed.”

No one has ever served me an application in Form 1. And again, I have received no summons or proceedings from the court relating to September 26, 2023 or any other date.

Paul Murray has shown himself to be an unreliable source of information in the past. For example, on March 23, 2022, at 10:02 am I received an email from Paul Murray containing at least 2 false statements. He stated that "Shawna McCurdy is a civilian member of the police service". This was false. He stated "you are not charged with assault, but rather with criminal harassment and extortion of a medical professional". This was also false.

This morning a woman who answered a phone at a number associated with Ontario Court of Justice confirmed for me that something is scheduled for tomorrow, September 26, 2023 in courtroom 3.

Therefore I ask that you honourably clarify the status of this matter. Is this "matter" filed with Ontario Court of Justice? If so: 1) Why are there no records bearing the name of the court? 2) Why do some records including the "warrant" have the name of an imaginary court? 3) Why have I not been served/provided any claim to respond to? 4) Why does the "Form 2 Information" not indicate that it was sworn before someone acting for the court? 5) Why did Stuart Konyer, acting as Judge, schedule a trial for December 5, 2023 – a date almost 2 years after the "charges" were laid - when anything more than 18 months between "charges" and end of arguments at trial is considered an unreasonable delay? 6) Would it be fair or reasonable or logical or lawful to have this matter "stayed", with an alleged "charge" and the possibility of a trial left dangling over my head for another year? 7) Am I lawfully obligated to attend court on September 26, 2023 or on any other date? If your answer is "yes": on what grounds? 8) On September 26, 2023, will anyone acting for "REGINA" / "the CROWN" and/or the court be permitted to keep this matter hanging over my head any longer? 9) Have you viewed the 2 publicly available videos that were filmed on Thomas Piggott's porch and show what actually did and did not happen on the evening of January 19, 2022? 10) Will you ensure that the false "charge(s)" are withdrawn right away so that I can get on with my life?

If this matter was not filed with Ontario Court of Justice: how could "the Crown" ask you to impose a stay of proceedings?

If no "charge" is being pursued in Ontario Court of Justice, I ask that you or your agents or principal(s) have the related content on the www.justiceservices.jus.gov.on.ca website removed immediately, as it damages my reputation and causes me stress.

If I "appear" in court on September 26, 2023, it will be specially, under threat, duress and coercion. This is because a normal practice in Ontario Court of Justice is to issue a warrant for arrest if the man/woman associated with the name on the docket does not "appear". My "appearance" and/or stating a name on the record (with or without a birth date) would not mean that I attorn myself or grant jurisdiction or joinder.

Also note that this matter began with a false story told to people acting for Peterborough Police Service by a man who said that I had spoken to him in a "very threatening voice", "lashed out at" him, hit his right hand, sent him "at least a dozen" emails saying that he had been served with "legal notice", "invaded" his home and his privacy. These statements were accepted at face value by certain people despite the complete lack of corroborating evidence and the

videos that disprove them (including this video: <https://rumble.com/vsyncv-peterborough-moh-served-lies-to-police.html>).

I am concerned for my safety. Therefore please respond at the email address listed further below. I ask that you give this matter immediate attention given that 20 months have already passed since I was handcuffed and told that charges were laid, and that the urging of Stuart Konyer acting as Judge, described below, has so far been ignored by the people acting as "Crown" to my detriment.

Not having the list and knowing that Paul Murray hopes to keep this matter alive by merely "staying" it causes me anxiety and stress.

Background re "witness list":

On June 23, 2022, Paul Murray, alleging to represent "the Crown", stated that "the Crown" intends to call 2 people who work for the service corporation Peterborough Police Service as witnesses at a trial, and did not specify those 2 people.

On June 30, 2022, Stuart Konyer acting as Judge urged Joleen Hiland, allegedly representing "the Crown", to provide a list of people she intends to call as witnesses (at a trial I have never agreed to and cannot prepare for). Joleen Hiland responded "Yes, Your Honour", but no such list has been provided to me. The transcript of the hearing is available on request.

Over a year ago, by email dated July 13, 2022 to Paul Murray and Joleen Hiland and other individuals who allege to represent "the CROWN" on this matter, I asked whether they are pursuing the alleged "harassment charge" through the court and why they had not sent me the list. I received no response.

Again, on July 30, 2023, by email to Paul Murray and Joleen Hiland, I asked why they had not sent me the list. I received no response.

On August 10, 2023, I telephoned "the CROWN's" office in Peterborough. A woman who identified herself as "Lisa" refused to leave a message for Paul Murray or Joleen Hiland on my behalf. She hung up on me.

On June 30, 2022, Stuart Konyer scheduled a trial for December 5, 2023, at which time almost 2 years will have passed since "charges" were allegedly laid on January 20, 2022.

Respectfully, in English not legalese, without accepting offers to contract or incorporate,

For regular plea court appearances, the Trial Office does not track which matters are in person and which are virtual. Please reach out to respective Crown Offices for such requests.

Please note: “The Court’s expectation is that counsel - both the Crown and defence/duty counsel - will attend all court hearings other than case management appearances in person if the accused person is appearing in person, unless a judicial officer directs otherwise”.
