Oh I forgot to mention, for my 5 year old son's sake Ive been doing some FOI requests of my own with regard to mandating vaccines for kids just to attend school. You can add this one to wherever you see fit as well. Thanks again for the wording format of these requests, it makes it very easy to send multiples by only changing a few words.

Dear Mr. [REDACTED]

I am replying to your access request made under the *Freedom of Information and Protection of Privacy Act (the Act)*, for the following information:

Any records in the custody of the Ministry of Health that prove or evidence through isolation and purification the existence of viruses that cause disease as designated from Ontario's ISPA. This includes isolation and purification where a sample has been taken from a human and where no other genetic material has been added to the sample such as vero cells or bovine serum of viruses said to cause the following diseases: Measles, Mumps, Rubella, Diphtheria, Tetanus, Varicella, Pertussis, Meningococcal Men-C-C, Meningococcal Men-C-ACWY, Poliomyelitis. Also requested are records that prove or evidence the whole genome sequencing of the viruses that are said to cause the above mentioned diseases and are critical for vaccine development of said disease. These requests included records in custody of the Ministry of Health that have been authored by anyone, anywhere in the world. If such records exist please provide me links to these records so they can clearly be identified and accessed with certainty in the public domain. Please respond to request for records via email only at [REDACTED]. I do not wish for anything to be sent to me via hard copy.

Time Frame: September 3, 2016 to February 26, 2023

This is to inform you that no responsive records were located. A reasonable search of the **Laboratories and Diagnostic Branch** was conducted and no responsive records were found. Patrick Dicerni, Assistant Deputy Minister, Health Programs and Delivery Division, is responsible for this decision.

The cost for the search in accordance to Regulation 460 are minimal and have been waived under section 57(4) of *the Act*.

You may wish to contact **Public Health Ontario** as they may have records responsive to your request. They may be reached by the following:

A request can be made by writing to the Privacy Officer, identifying in as much detail as possible the information you are requesting and any other information that will help us locate the records.

A \$5.00 application fee per request is required and is payable to Public Health Ontario.

Please submit your request, in writing, to:

Privacy Officer
Public Health Ontario
661 University Avenue, Suite 1701
Toronto, ON M5G 1M1

You may also wish to contact them via email to inquire if they are able to take an online request at the following address: privacy@oahpp.ca

You may request a review of this decision by the Information and Privacy Commissioner [2 Bloor Street East, Suite 1400, Toronto ON M4W 1A8](#). Please note that you have 30 days from the date of this letter to request a review. In the event that you do seek a review, please provide the Commissioner's Office with:

1. The request file number: A-2023-00060 / RB
2. A copy of this decision letter.
3. A copy of your original request.
4. A cheque or money order in the amount of \$25.00 payable to the Minister of Finance.

If you have any questions, please contact me at 306-409-0111.

Sincerely,

Ryan Bal

Consultant, Access and Privacy
