FOI to CDC re: scientific evidence of "canine parvovirus"

Christine, an unincorporated woman <cmssyc@gmail.com> To: "FOIA Requests (CDC)" <FOIARequests@cdc.gov> Sat, Mar 9, 2024 at 7:59 PM

March 9, 2024

To: Roger Andoh Freedom of Information Officer 1600 Clifton Rd NE MS T-01 Atlanta, Georgia 30333 Email: FOIARequests@cdc.gov Phone: 770-488-6277 Fax: 770-488-6200

Greetings Roger,

I require access to general records, as per the Freedom of Information Act.

Description of Requested Records:

1. All studies/reports in the possession, custody or control of the Centers for Disease Control and Prevention (CDC) and/or the Agency for Toxic Substances and Disease Registry (ATSDR) that scientifically prove/provide evidence of the existence of the alleged "canine parvovirus" (showing that the alleged particle exists and causes the illness/symptoms that it's alleged to cause).

Note:

Scientific proof/evidence is NOT

- · Opinions, or
- Speculation, or
- · Review papers, or
- Descriptive papers.

Scientific proof/evidence requires use of the scientific method to test falsifiable hypotheses through valid, rigorous, repeatable controlled experiments.

2. If the CDC has no studies responsive to #1 above, then please indicate such explicitly, and provide all studies and/or reports in the possession, custody or control of the Centers for Disease Control and Prevention (CDC) and/or the Agency for Toxic Substances and Disease Registry (ATSDR) describing the **purification** of particles that are alleged to be said virus, directly **from bodily fluid/tissue/excrement of alleged "hosts", with purification confirmed via EM imaging** (the images must be available as well).

Please note that I am not requesting studies/reports where researchers failed to purify the suspected "virus" and instead:

- · cultured an unpurified sample or other unpurified substance, and/or
- performed an amplification test (i.e. a PCR test), and/or
- · created an in silico "genome", and/or
- produced electron microscopy images of unpurified things.

I am aware that according to virus dogma a "virus" requires host cells in order to replicate; I am not seeking records describing the replication of a "virus" without host cells, or that describe a suspected "virus" floating in a vacuum or a strict fulfillment of Koch's Postulate; I am simply seeking records that describe its purification (**separation from everything else in the "host" sample**). I am not seeking private patient records.

Gmail - FOI to CDC re: scientific evidence of "canine parvovirus"

3. All studies/reports in the possession, custody or control of the Centers for Disease Control and Prevention (CDC) and/or the Agency for Toxic Substances and Disease Registry (ATSDR) that scientifically demonstrate **contagion of the disease / symptoms that are allegedly caused by said purported "virus"**.

General Note:

This FOI is **not limited** to records that were authored by the CDC or ATSDR or that pertain to work done at/by the CDC or ATSDR, it includes any record matching the above description authored by anyone, anywhere, ever.

Publicly Available Records

If any records match the above description of requested records and are currently available to the public elsewhere, please assist me by providing enough information about each record so that I may identify and access each one with certainty (i.e. title, author(s), date, journal, where the public may access it). Please provide URLs where possible.

Format:

Pdf documents sent to me via email; please don't ship anything to me;

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Public Health Service

Centers for Disease Control and Prevention (CDC) Atlanta GA 30333 March 13, 2024

Via email: cmssyc@gmail.com

Dear Ms. Massey:

The Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) received your Freedom of Information Act (FOIA) request dated March 9, 2024 for, attached.

Your request was assigned #24-00798-FOIA and placed in our complex processing queue.

Extension of Time

In unusual circumstances, an agency can extend the twenty-working-day limit to respond to a FOIA request.

We will require more than thirty working days to respond to your request because:

X We reasonably expect to consult with two or more Centers/Institutes/Offices

If you have any questions or wish to discuss reformulation or an alternative time frame for the processing of your request, please contact the analyst handling your request Kendra Lightner at 404-639-4495 or by email at ult4@cdc.gov. You may also contact our FOIA Public Liaison, Bruno Viana, at 770-488-6246. Additionally, you may contact the Office of Government Services (OGIS) to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services; National Archives and Records Administration; 8601 Adelphi Road-OGIS; College Park, Maryland 20740-6001; e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

Fee Category

Because you are considered an "Other requester" you are entitled to two hours of free search time, and up to 100 pages of duplication (or the cost equivalent of other media) without charge, and you will not be charged for review time. We may charge for search time beyond the first two hours and for duplication beyond the first 100 pages. (10 cents/page).

Cut-off-date

If you don't provide us with a date range for your request, the cut-off date for your request will be the date the search for responsive records starts.

You may check on the status of your case on our FOIA webpage <u>https://foia.cdc.gov/app/Home.aspx</u> and entering your assigned request number. If you have any questions regarding your request, please contact Kendra Lightner at 404-639-4495 or ult4@cdc.gov.

Page 2 -- Christine Massey

We reasonably anticipate that you should receive a final response by June 3, 2024. Please know that this date roughly estimates how long it will take the Agency to close requests ahead of your request in the queue and complete work on your request. The actual date of completion might be before or after this estimated date.

Sincerely,

Roger Andoh CDC/ATSDR FOIA Officer Office of the Chief Operating Officer (770) 488-6399 Fax: (404) 235-1852

Ms. Christine Massey

Via email: cmssyc@gmail.com

Dear Ms. Massey:

This letter is in response to your Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) Freedom of Information Act (FOIA) request of March 9, 2024, for attached.

A search conducted by the National Center for Immunization and Respiratory Diseases of their records failed to reveal any documents pertaining to your request.

You may be interested in the following articles: https://wwwnc.cdc.gov/eid/article/13/8/07-0505_article

https://stacks.cdc.gov/view/cdc/13790

You may contact our FOIA Public Liaison at 770-488-6246 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with the response to this request, you may administratively appeal to the Deputy Agency Chief FOIA Officer, Office of the Assistant Secretary for Public Affairs, U.S. Department of Health and Human Services, via the online portal

at<u>https://requests.publiclink.hhs.gov/App/Index.aspx.</u>Please mark both your appeal letter and envelope "FOIA Appeal." Your appeal must be electronically transmitted by August 1, 2024.

Sincerely,

Roger Andoh CDC/ATSDR FOIA Officer Office of the Chief Operating Officer (770) 488-6399
